WHAT HAS HAPPENED RECENTLY?

The ENTRADA project was kicked-off in Virginia, Ireland, on October 14th&15th 2019. Representatives from five EU countries (Austria, Cyprus, Ireland, Italy, Spain) met with one partner from Switzerland, who is funded by the Movetia National Agency and will be actively supporting the aims of the ENTRADA project.

WHAT WILL BE NEXT?

At the moment, we are working on innovative learning resources that will support the civic, social and economic integration of migrant communities. These resources will be available online on our Online Platform and will be using a challenge-based approach. Learners will be motivated by these practical challenges and by gamification elements such as badges that reward their learning progress.
