WHAT IS ENTRADA?

ENTRADA is a transnational project funded by the Erasmus+ programme of the European Union and by Movetia. Our partnership strives to support the civic, social and economic integration of migrant communities using challenge-based learning.

OUR RESULTS?

We are working on four outputs:

- 36 Online WebQuest *Integration Resources*
- Online Platform
- In-service Training Programme & Handbook
- Policy Paper

As the partnership was not able to meet in person in April 2020, we held a very productive online meeting instead!
